DRAAKON

Tallinna lennujaam. Talvine.  
Kuuleme lennujaama torni suhtlemist  
maanduva lennukiga:  
“..Flight 06940 - Dragon 535 Oslo-Tallinn  
please prepare for landing...”

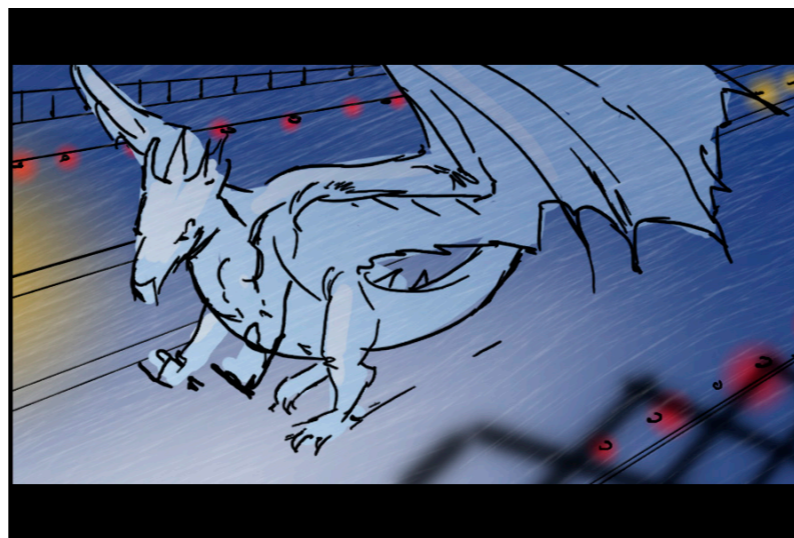

“...Visibility clear... Dragon 535 you're  
clear to land.”  
Lennukist vastus: “Roger. Dragon 535  
Landing. Over and out.”

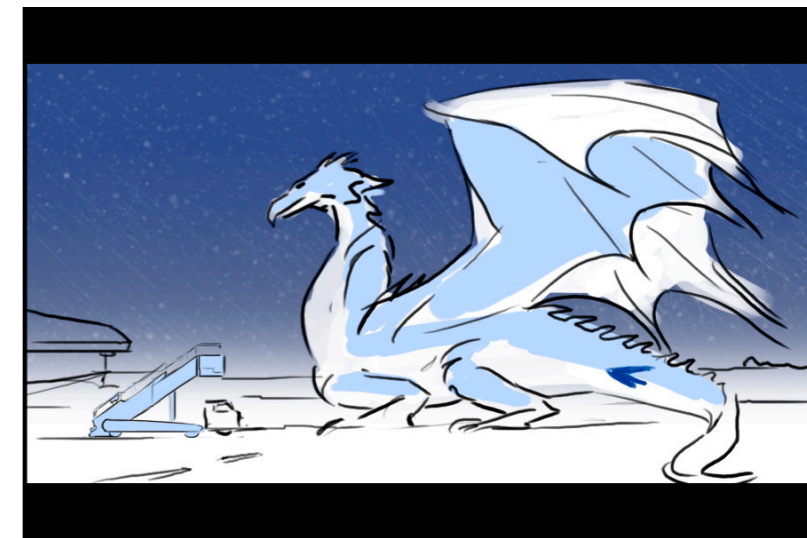

Näeme maandumisrada augluubis vilkuvate  
tuledega.  
Põnevus kasvab.

Suure mürinaga vuhiseb tornist mööda  
midagi kiiret

Lennuki asemel näeme maandumas hoopis  
võimsat Estonian Air'i lennuki värvides  
draakonit

Uhke draakon on maandunud.

VO: “We fly you to a medieval fairytale.  
And back.”
