

1. iPhone

SFX: Sounds of a coffee bar.

FVO1: I dropped my iPhone in the toilet and now I can't get it to work. I'm not sure what to do.

FVO2: Heat up a pan and cook the liquid out of the phone!

SFX: Cows mooing.

Music.

FVO3: Sometimes it's better to trust professionals. The paints in Vivacolor's professional series were created with the help of professionals. Professionals choose Vivacolor.

2. Tooth

SFX: Household sounds.

MVO1: My tooth's been killing me for the past couple of days.

What should I do...

MVO2: Take some thread, tie one end around your tooth and the other around a door knob. Wait until someone opens the door and hey presto – the tooth is gone and ...

Music.

MVO: Sometimes it's better to trust professionals. The paints in Vivacolor's professional series were created with the help of professionals. Professionals choose Vivacolor.

3. Casino

SFX: Pub sounds.

MVO1: I've been thinking that I should invest in something. But I'm not sure whether to go for stocks or a fixed-term deposit...

MVO2: I think the best way to make more money is to go to a casino!

Music.

MVO: Sometimes it's better to trust professionals. The paints in Vivacolor's professional series were created with the help of professionals. Professionals choose Vivacolor.
