

SFX: Silent music, night time forest sounds: wind, owls etc

FVO: It happened quickly...

I was on my way home with my little ones...

It was dark and we had to cross the road...

Then suddenly...

Two lightbeams!

Horrible squeeling!

SFX: Car braking

FVO: And then...

silence...

SFX: Uplifting music

FVO: You may think that I'm just a FOX and don't know anything about cars.

But I know one thing.

With Toyota Bi-LED headlamps you can see me 30 meters earlier.

So get yourself a Toyota Avensis or Toyota Corolla with Bi-LED headlights starting from 18 000 euros with Active Plus grade.
