Man: "What time do you have to be in the office tomorrow?...you can stay here just as well..I have a spare bed.."

Woman: "I don't know...I have to wake up pretty early. And it feels a bit odd staying. I mean, we just met."

Man: "Don't worry..where are you gonna go at this hour? I will give you a clean toothbrush and a towel and make you breakfast in the morning."

Woman: "Hey! What's that sound?! Can you hear it?"

Man: "What sound? I can't hear anything. Oh..that. That is my cat."

Woman: "Aww, how cute!"

Man: "Listen Purry, we have been through this. Meal times are twice a day. Okay okay, come here. I'll give you your Felix."

FVO: Even little kittens know, that if you purr long enough you can get a bowl of Felix. Felix Junior. Kitten's favourite food.
