

## FELIX GUESTS

Woman: "Put a slice of bread in the toaster for me as well, please. And turn the water kettle on. Do you know if Jeremy is binging her new girlfriend along tonight?"

Man: "Yes indeed he is, she's called Mary. She made a good impression last time"

Woman: "Are we talking about the same Mary? A character with quite some bravado, in my opinion. "

Man:" Yes yes, she was a bit tetchy, alright. Anyway, she is coming with him. And I hope she will behave this time around. "

Woman: "What is the matter.. I should clean the apartment a bit before they arrive, do you reckon?"

Man: "Yes yes.."

Woman: " Stop it now...What is the matter? Jeremy is always most interested in the state of other people's tidyness... What is the matter, dear?.."

Man" What on earth is the matter with the cat that it keeps purring?"

Woman: "The Cat wants its Felix! Give him some, for god's sake!"

FVO: Even little kittens know, that if you purr long enough you can get a bowl of Felix. Felix Junior Kitten's favourite food.
