

# Global hack

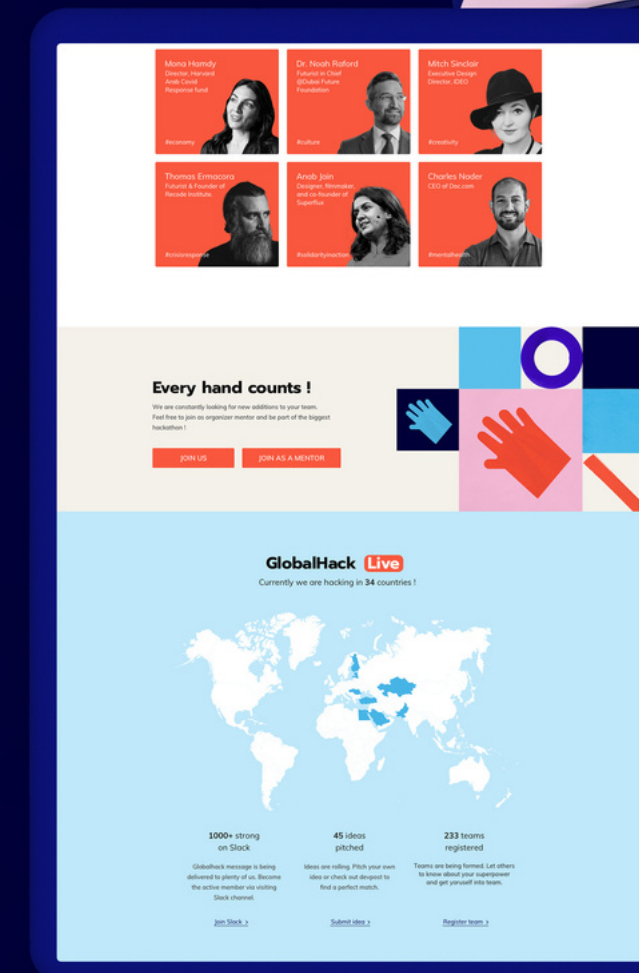

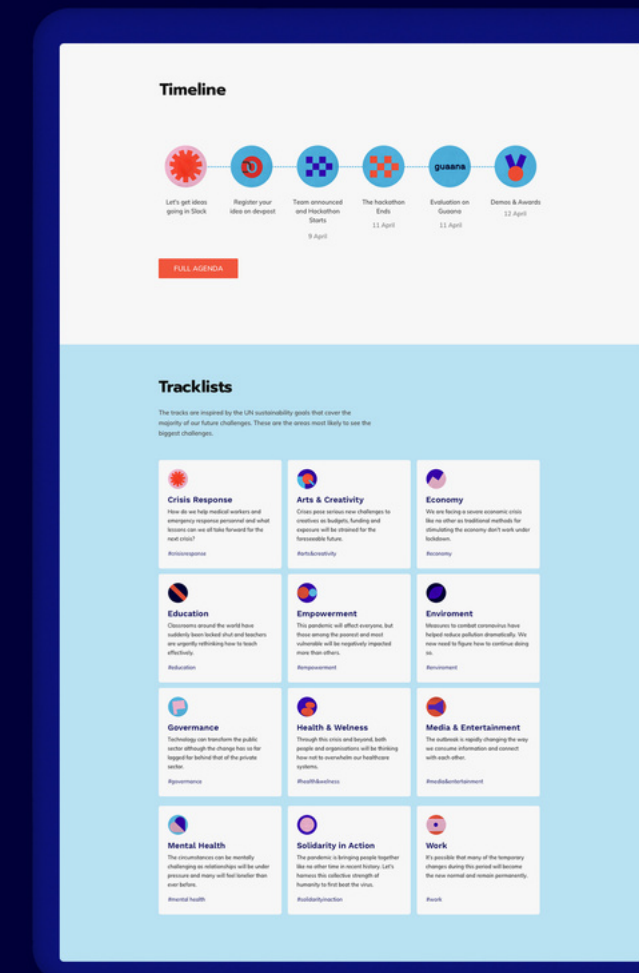

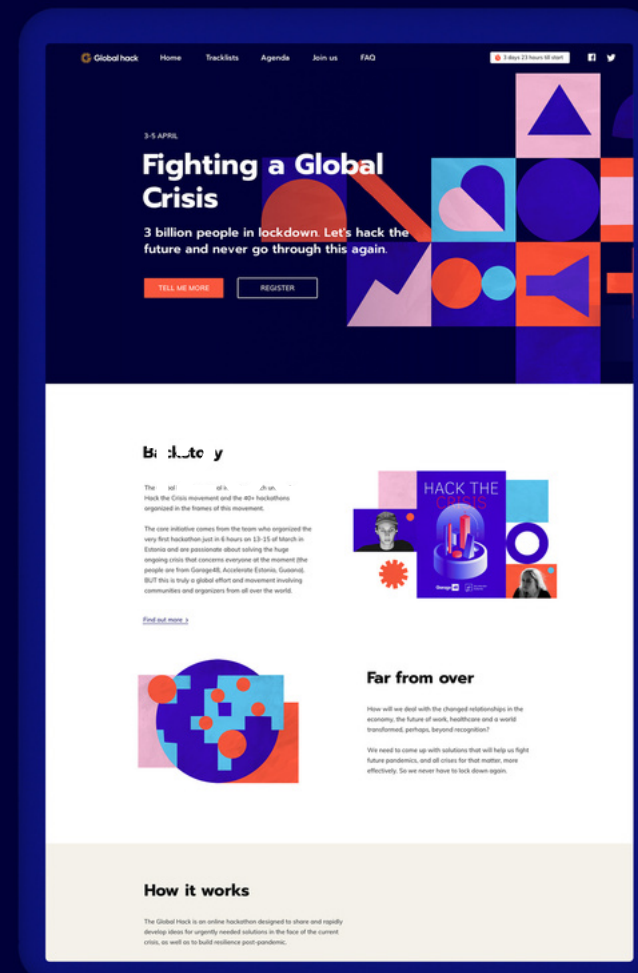

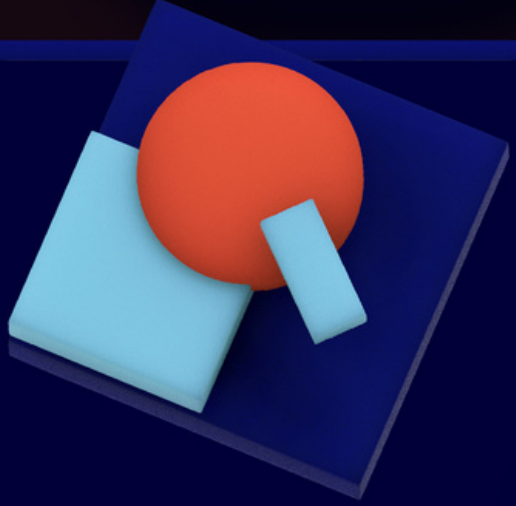

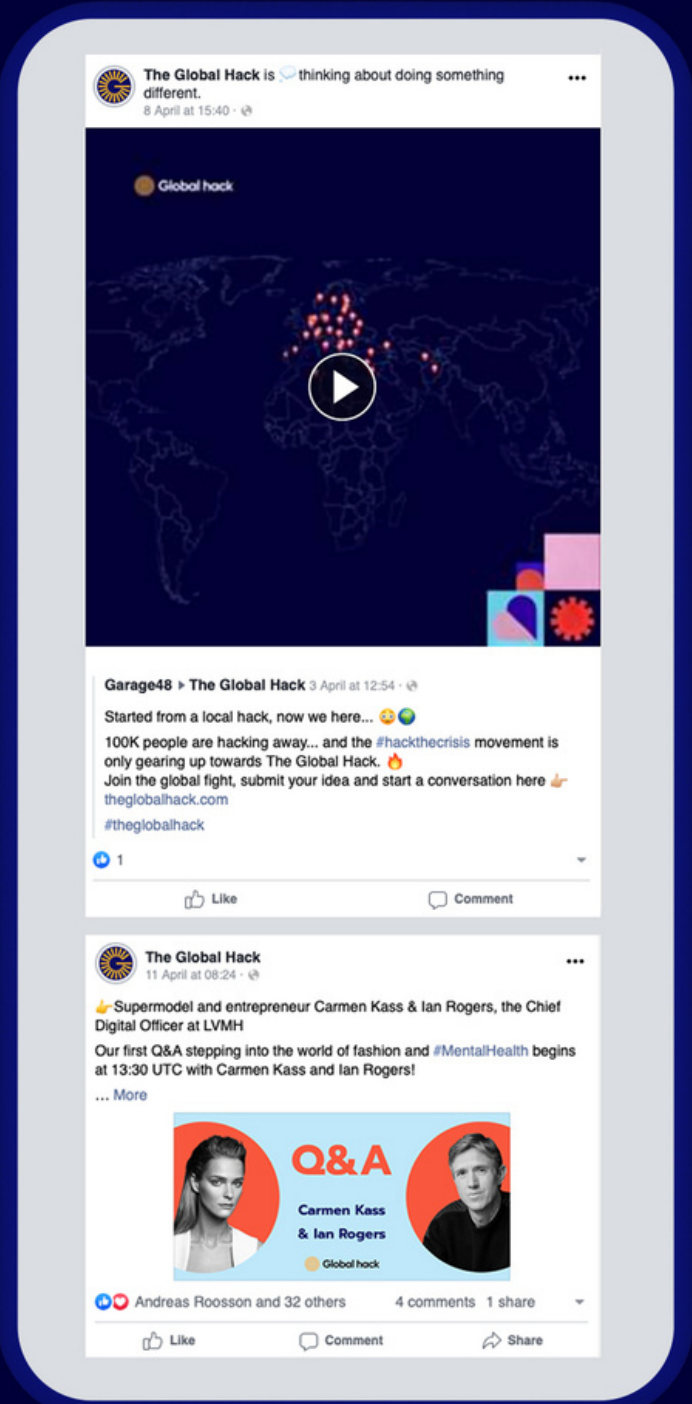

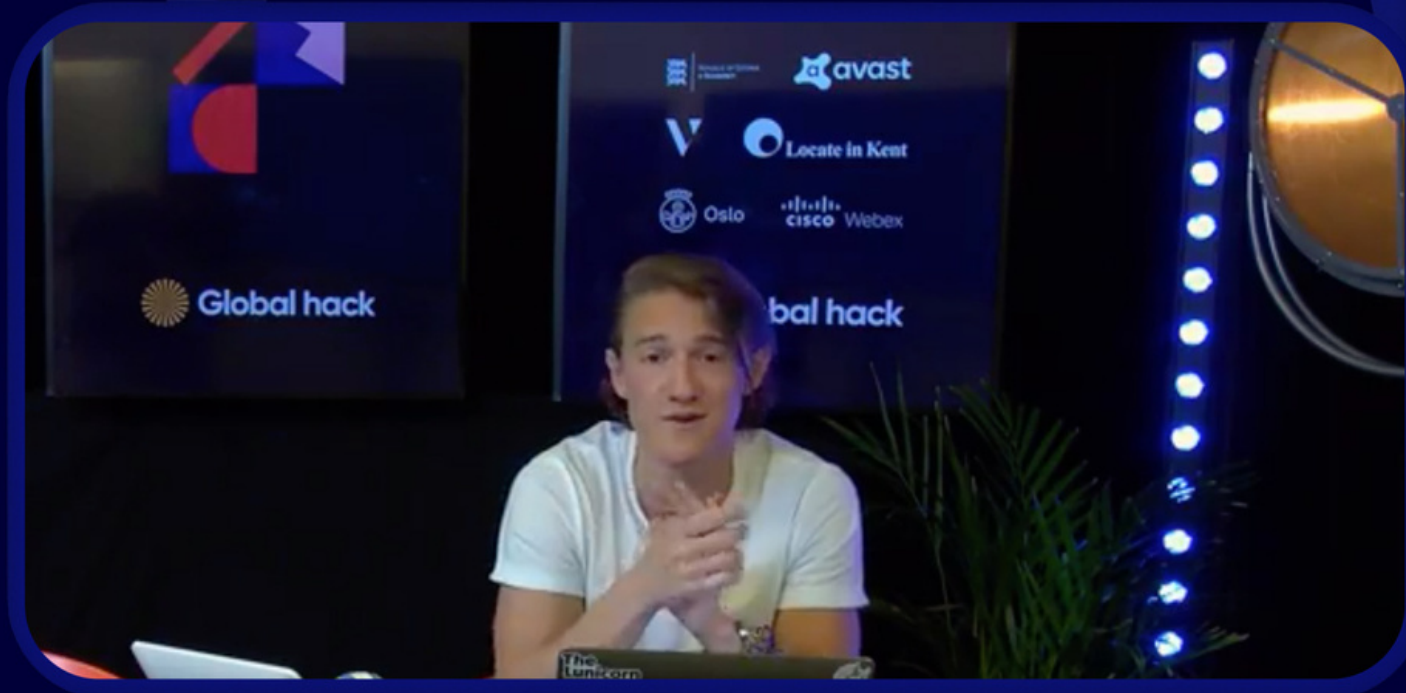

Kodulehe ja sotsiaalmeediakanalite abil jõudsid TGH sõnumid 2020. aasta kevadel 4+ miljoni inimeseni

Kokku tuli 12 000+ inimest 98 riigist, kes häkkisid ühiselt 48 tundi

Esitati 1000 ideed, 12 valdkonnast

Auhinnafond 195 000 eurot

TGH Kõneisikud panustasid jagades häkatoni üleskutseid ja salvestades personaalsed videod TGH toetuseks nii enda, kui ka TGH sotsiaalmeedia kanalites jagamiseks.

- Eesti president Kersti Kaljulaid
- LinkedIni kaasasutaja Reid Hoffman
- Neurotehnoloog Printsess Khaliya
- Riskikapitalifirma DFJ tegevjuht ja partner Steve Jurvetson
- male suurmeister Garry Kasparov
- Silicon Valley tehnoloogia superstaar Sam Altman
- Nike saadik, maratoonar & Surviving Hijab kogukonna juht Manal Rostom
- IDEO loovdirektor Mitch Sinclair,
- Christopher M. Schroeder
- Jpt

Kõneisikud osalesid poole tunnistes Facebook live intervjuudes, mis toimusid paralleelselt häkatoniga. Kuna virtuaalsel teel häkkimine on väljapoole üsna nähtamatu tegevus, soovisime hoida teemasid, ideid ja häkatoni energiat sotsiaalmeedias üleval läbi videosisu.

Kokku toimus 25+ live ülekannet
