

Cooking is magical, especially when the ingredients used are high-quality, delicious and organic. This charming book contains beef delicacies made in the homes and kitchens of the best top chefs in Estonia.

Illustrations created by a designer also add to the unique atmosphere. Like the delicacies, this book is made with love. Slowly cooked to perfection.

A glimpse of cookbook's making-of - traveling around Estonia to the most beautiful places whilst visiting the 22 top chefs in Estonia who opened their restaurants, homes and hearts. Project was planned and executed within 9 months - slowly cooked to perfection.
