

A low-angle shot looking up at a person falling from a tall, grey concrete tower. The person is upside down, wearing a light-colored jacket and jeans, with their hair blowing in the wind. They are holding a blue handle. The sky is a clear, bright blue, and numerous Euro banknotes (20 and 50) are falling all around them, creating a sense of wealth and abundance. The tower's structure is visible on the left side of the frame.
