

Kui suudad
sellest unistada,
suudame
selle
ehitada.

Kus on Verston,
seal on tee.

Verstonis oleme kõik mitte ainult
rajaleidjad, vaid ka teerajajad –
targema ja jätkusuutlikuma
tuleviku loojad. See on see, mida
me teha tahame; see on see,
mida me teame, et suudame
teha.

Where there's Verston,
there's a way.

At Verston we all are not only
pathfinders, but pathmakers –
of a smarter, more sustainable
future. That's what we want to
do; that's what we know we can
do.

Kus on Verston,
seal on tee.

Paving the
way to the future,
verst
by verst.

Where there's Verston,
there's a way.
